

KOMPIS

Your Friendly Money Management AI.

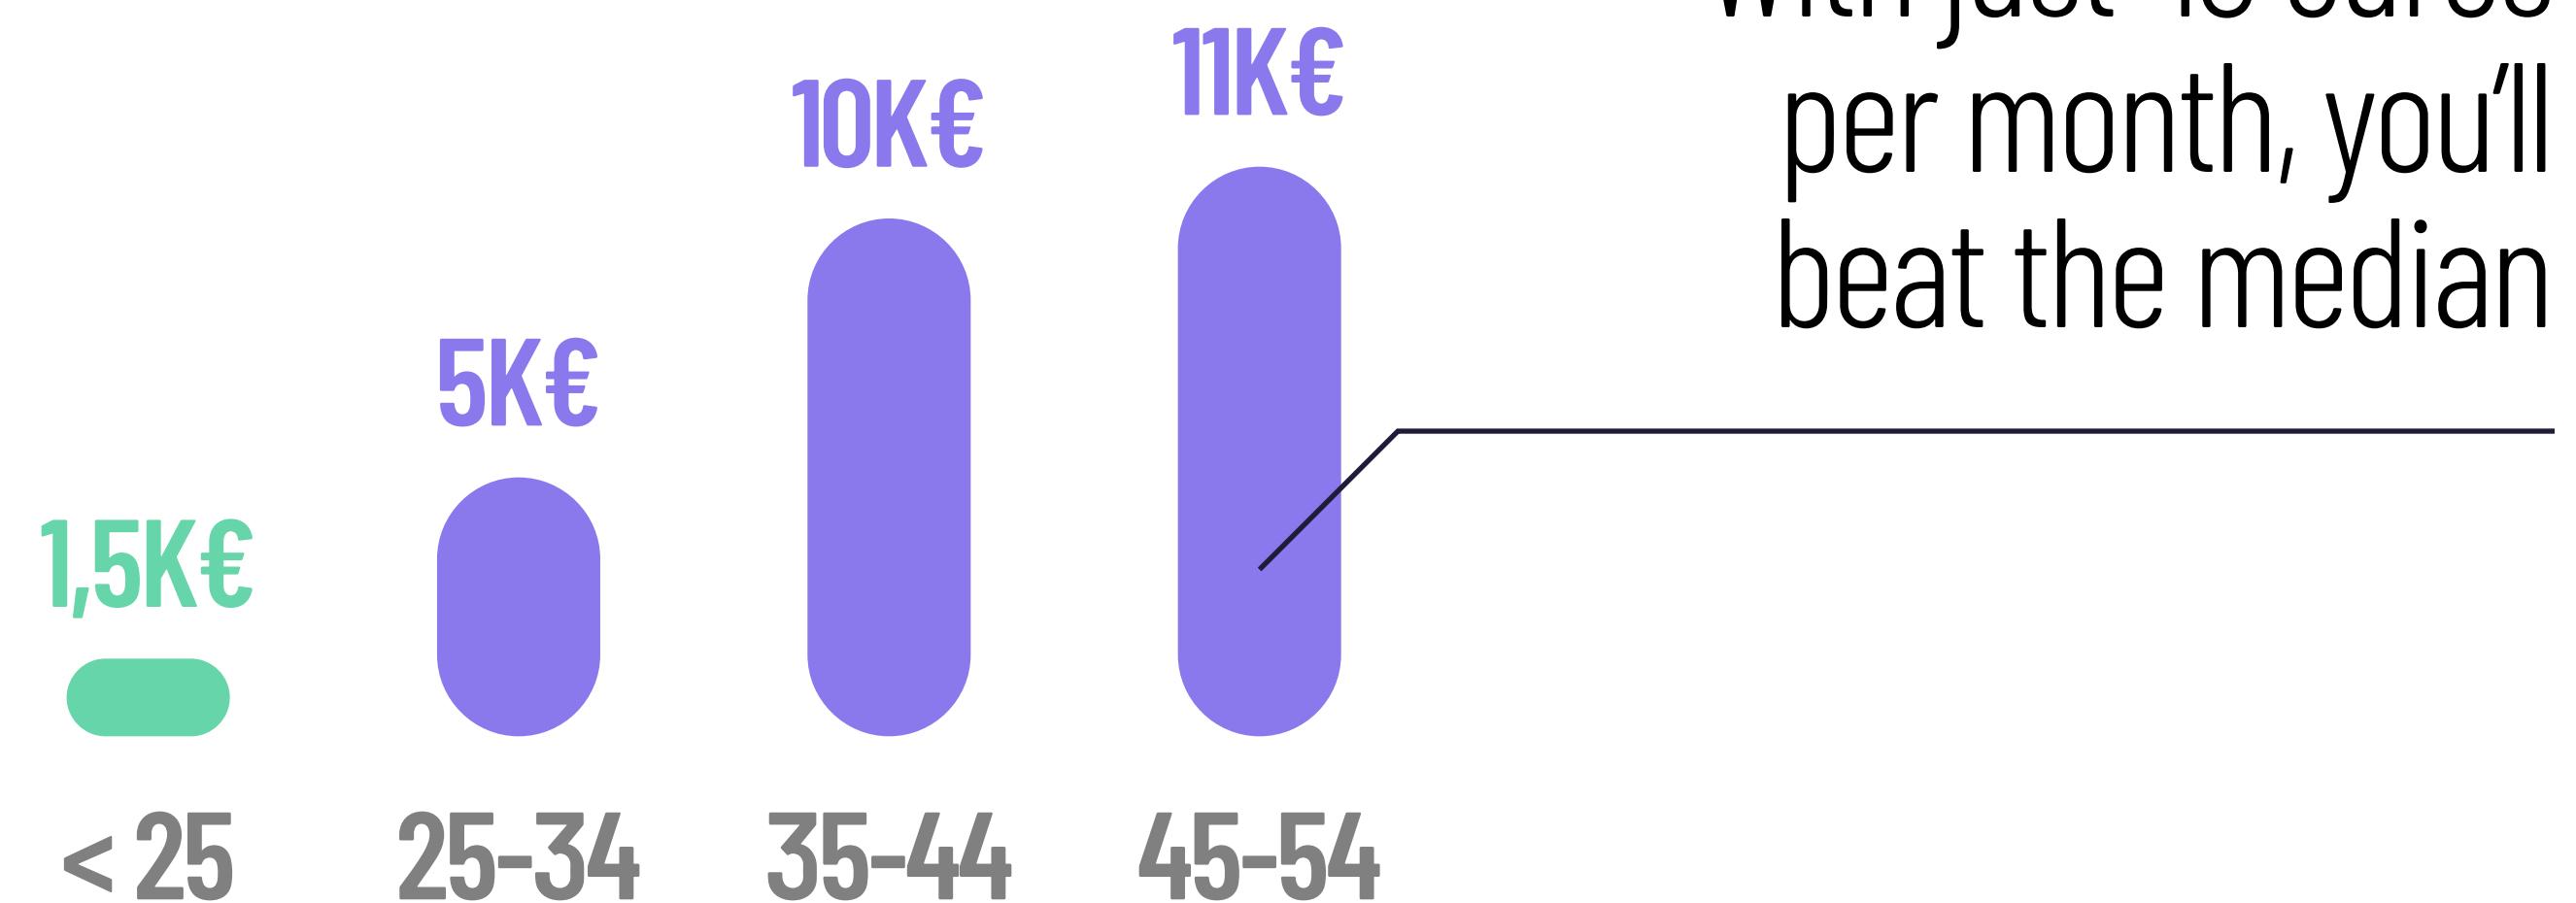

Pinching spending by 100 euros / month,
you'll have over a quarter million euros in 40 years.

**7,17% annual return over 40 years*

Median Financial Assets by Age

So, it's important to start early.

There are A LOT of
apps that try to help.

And fail.

Realbyte

★★★★★

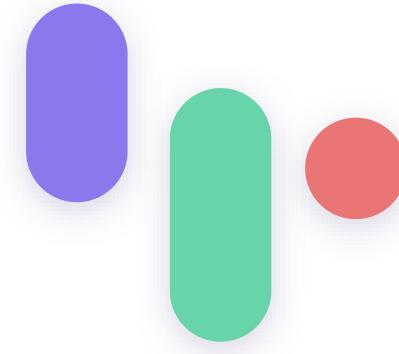

Fix the on-boarding problem

Instant insight and value

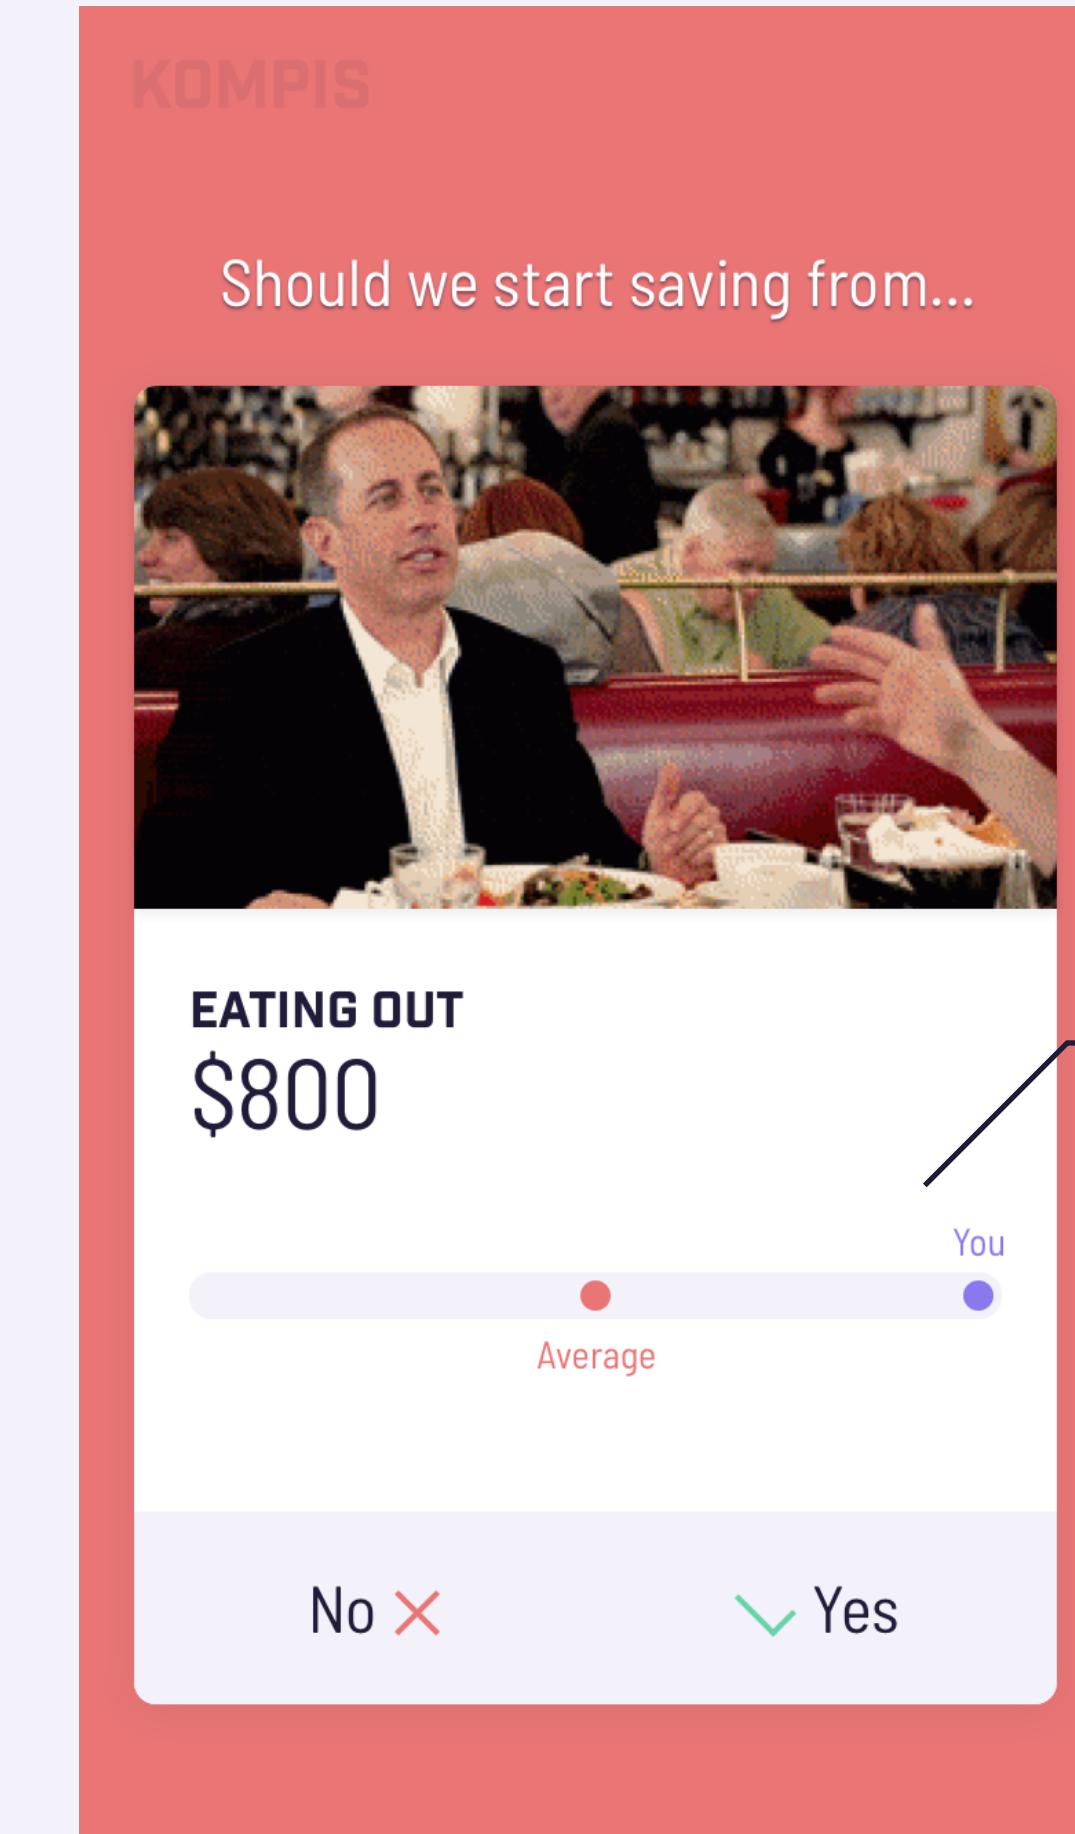

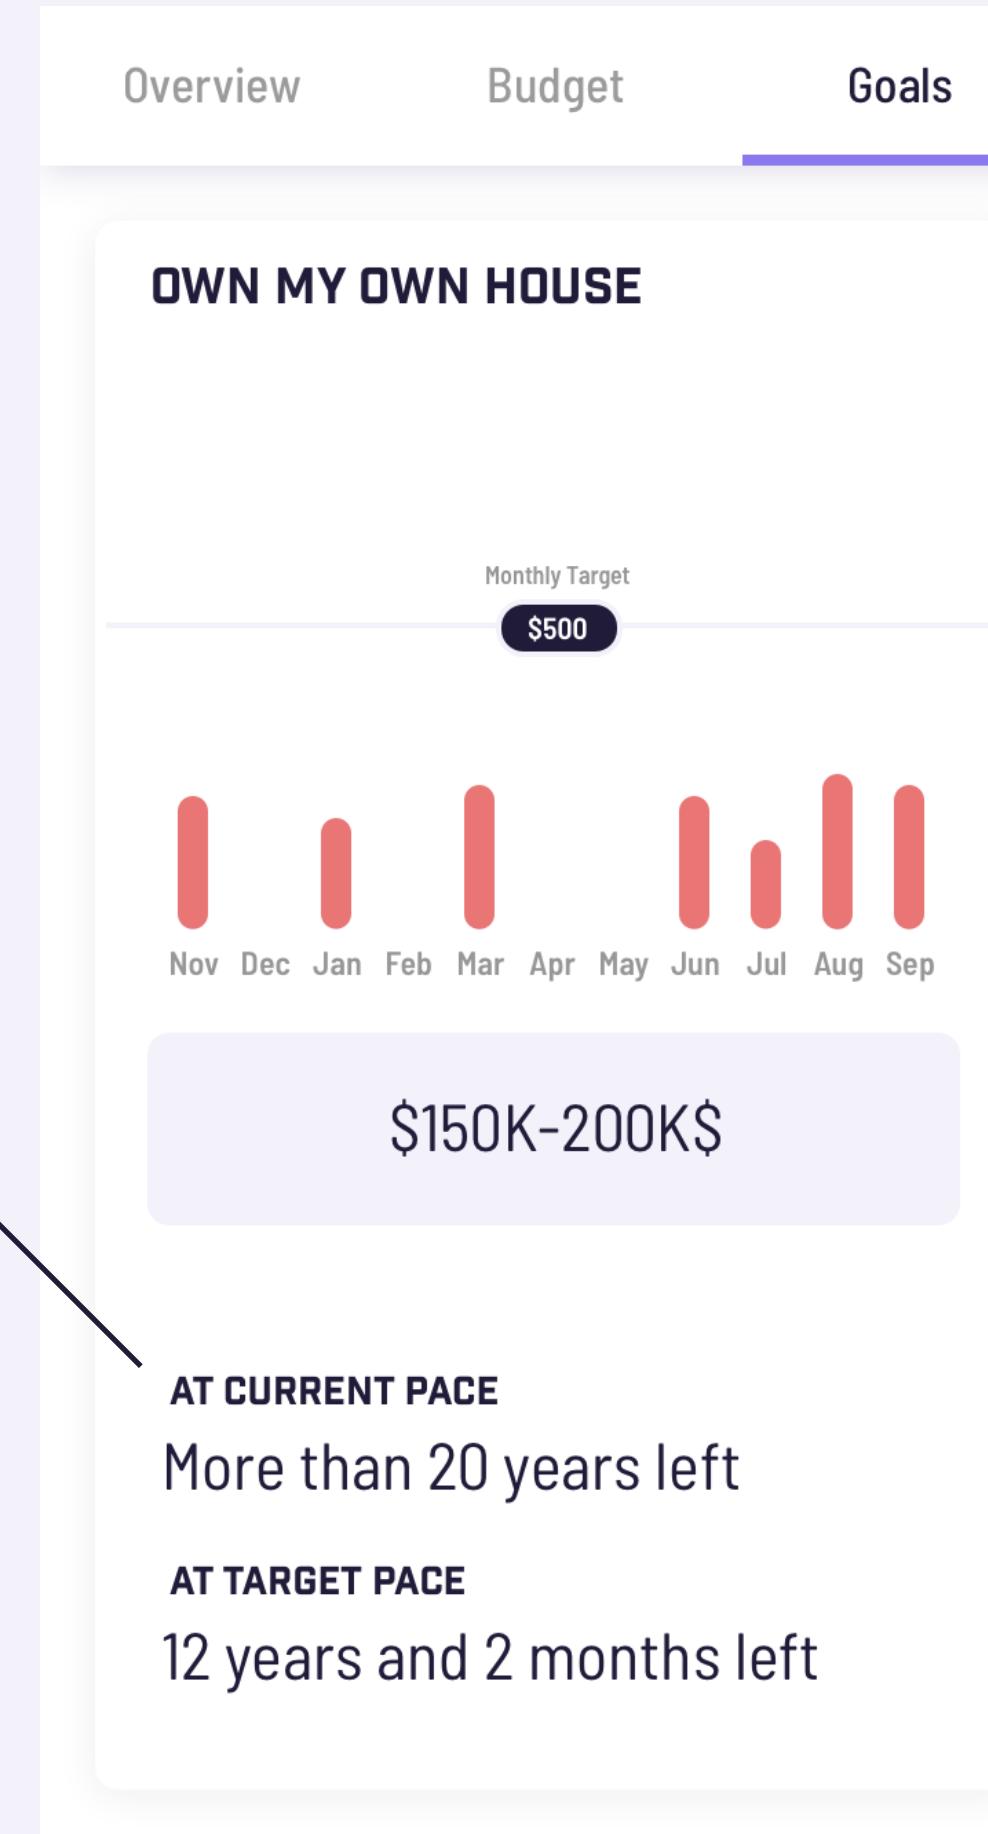

Effortless, mobile-friendly interactions
**Having some memes doesn't hurt either.*

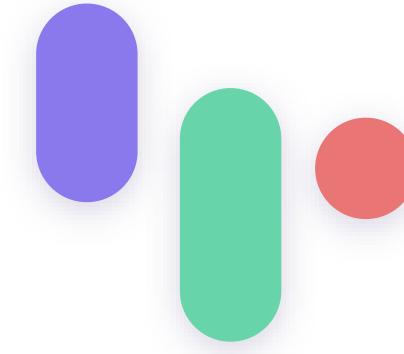

Make it understandable

Understanding the impact of decisions

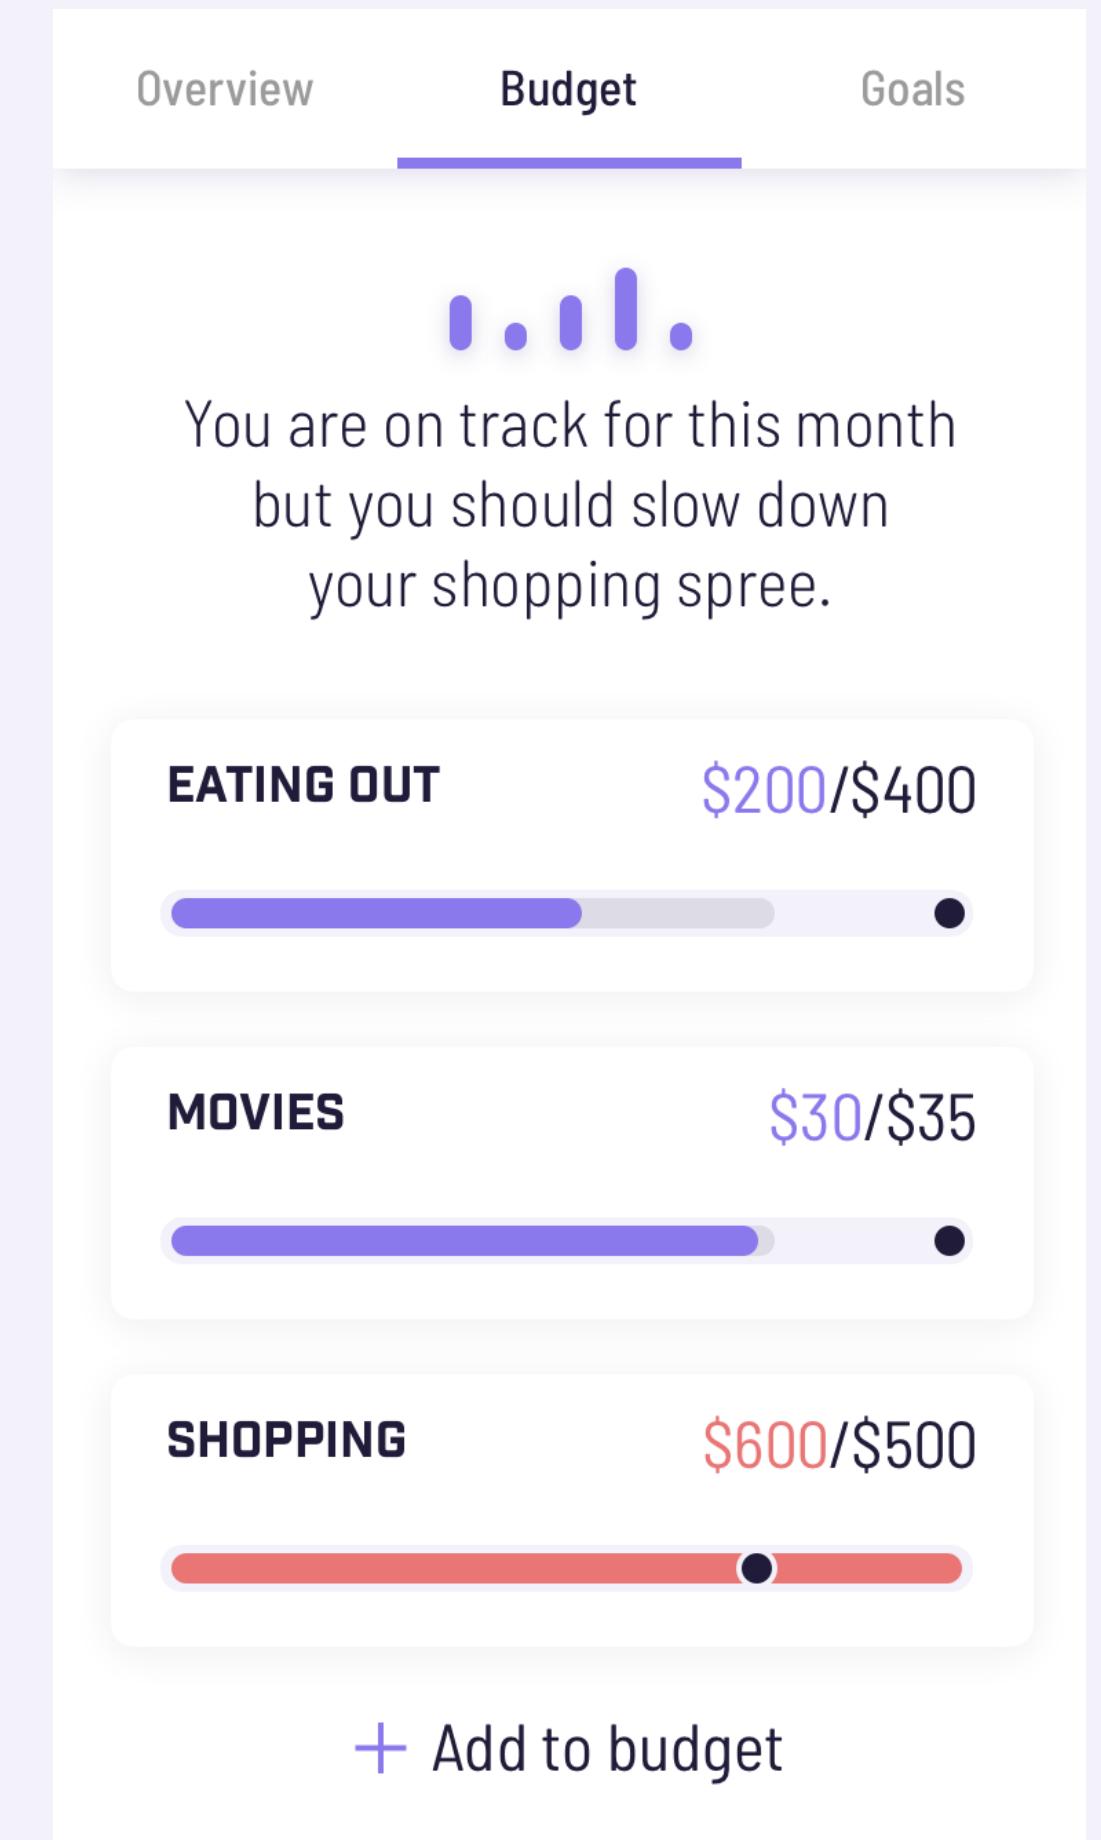

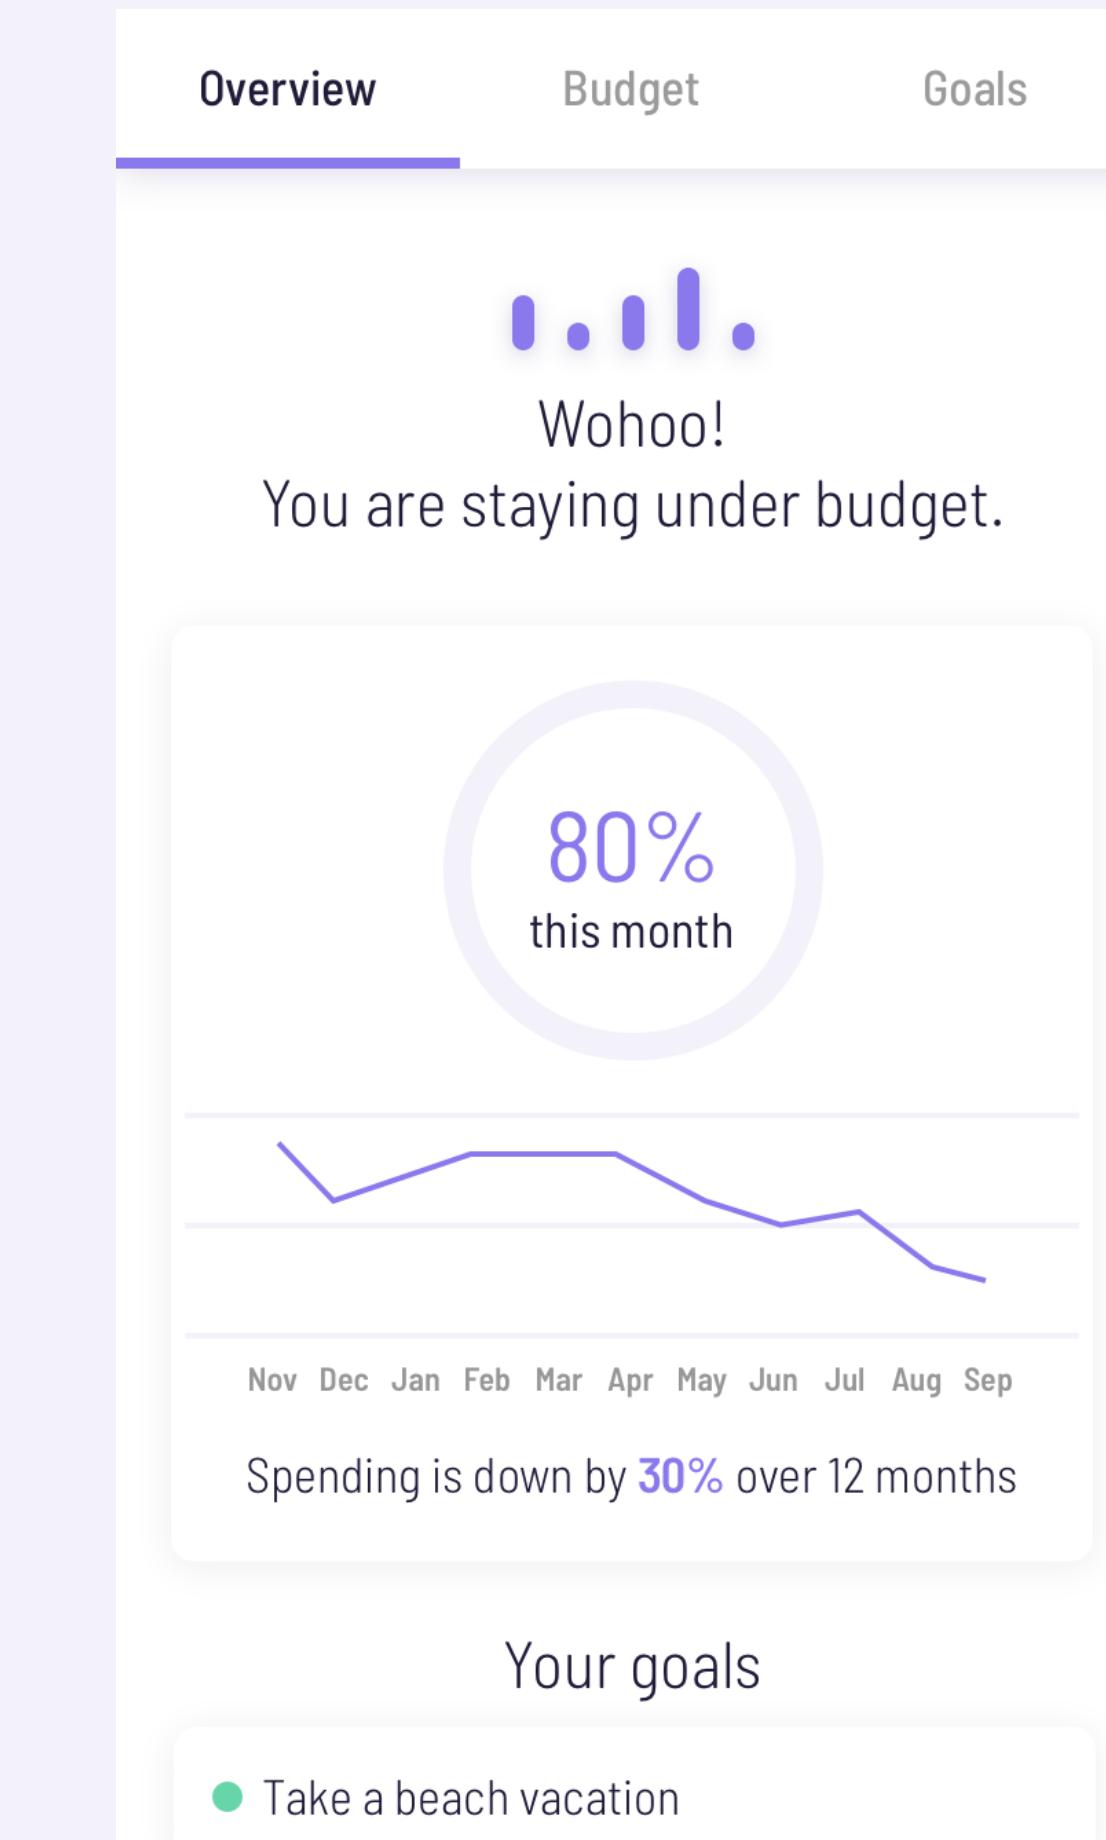

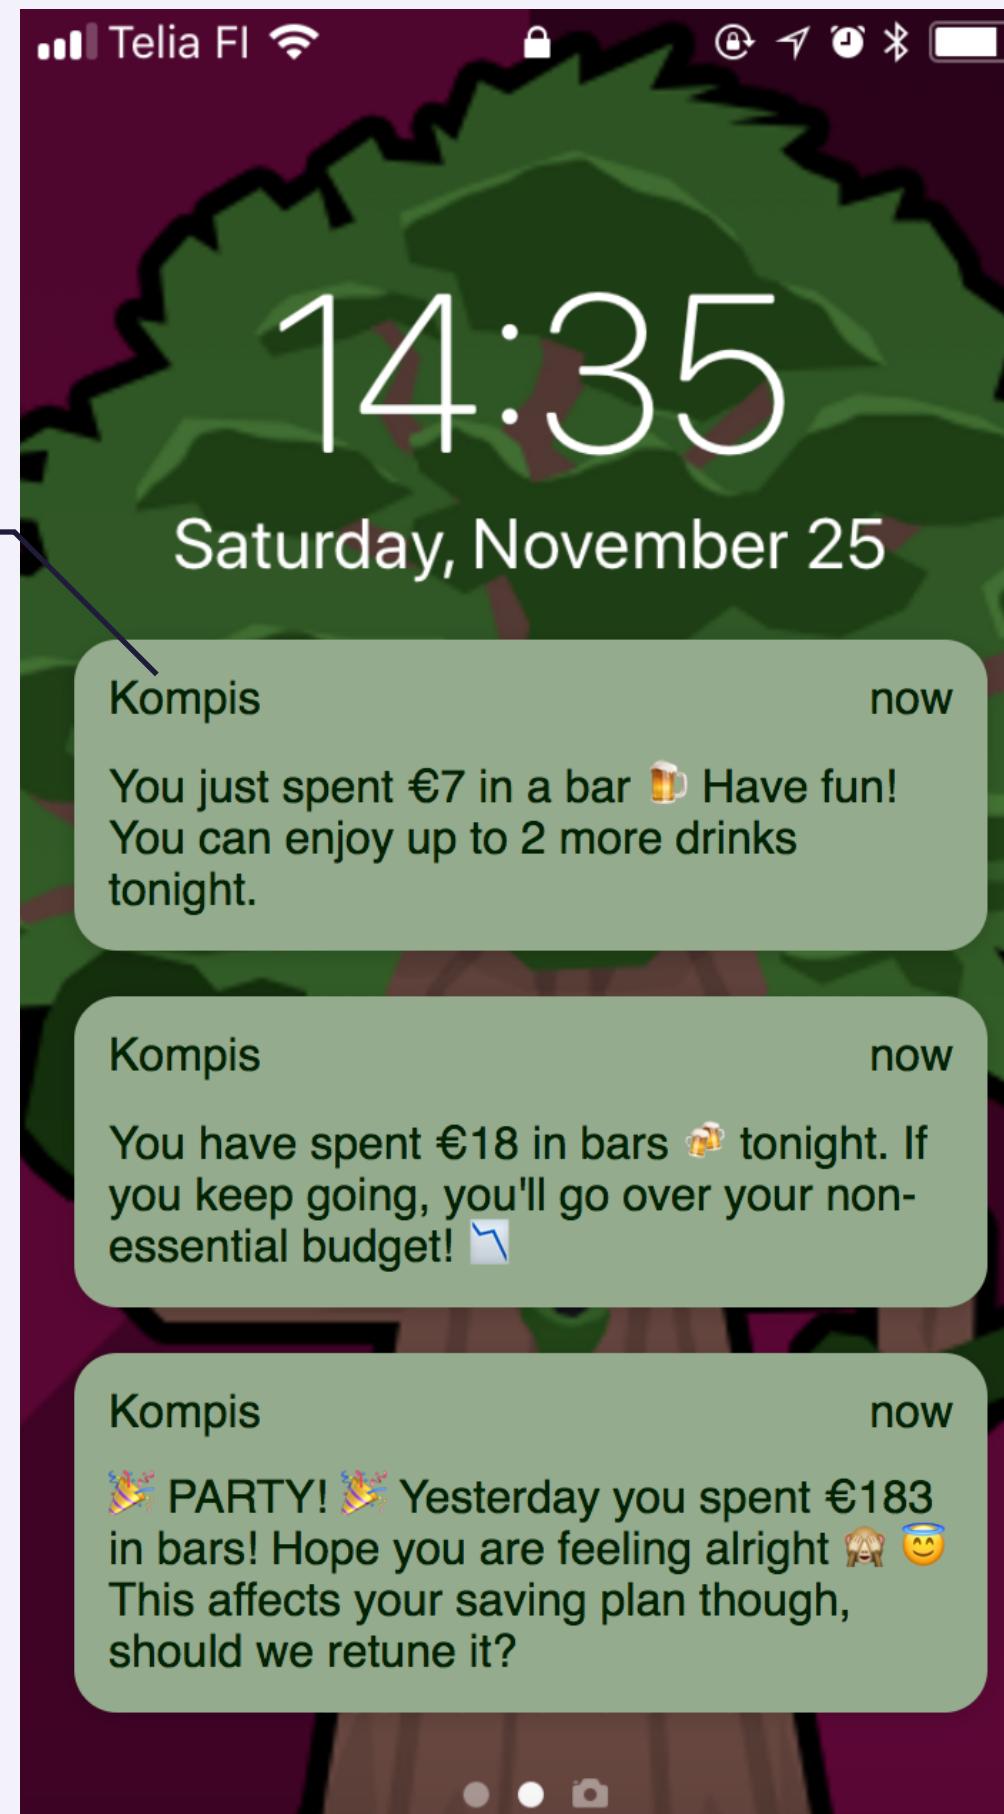

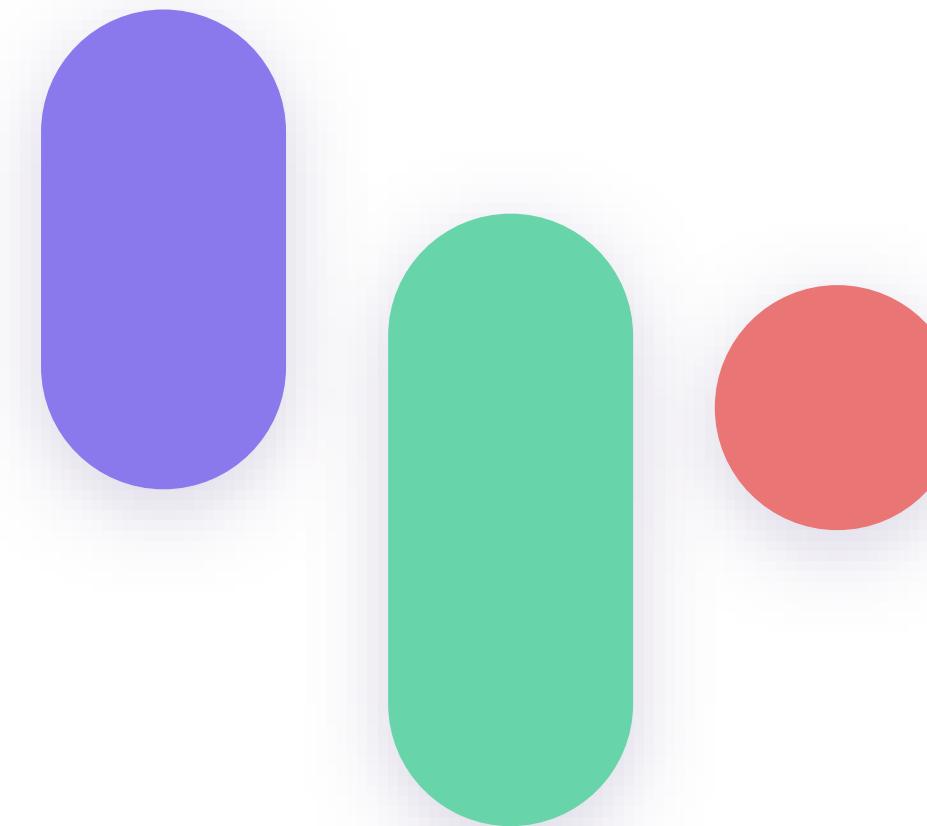

The data only makes sense in a context

Keep the user engaged

Old habits die hard
but the right kind of
engagement can
help with that.
